And Harlem School District 122**

Hauser, Izzo, Petrarca, Gleason & Stillman, LLC will provide a legal update on the responsibilities and obligations of school districts regarding transgender students.

Harlem School District 122 will share its policies and procedures: Gender Support Administrative Policy and Procedure, School Roster Information Change Request and Gender Support Plan Template.

The Equity Mission of the Harlem School District is to be a model for inclusive excellence by interrupting inequities which prevent students from realizing their unlimited potential. In this workshop, participants will learn how we have embodied this mission in our service to our students who identify as LGBTQ through our development of vanguard policies, procedures, training, and practices around the social emotional and safety needs of our students.
